

Application No. 10/718,513

Reply to Office Communication of April 16, 2004

REMARKS

Applicants have now submitted a substitute Sequence Listing and a corresponding computer-readable Sequence Listing. Sequence Identifiers (SEQ ID NO:) have been added to the specification and the claims. The sequence information recorded in the corresponding computer-readable Sequence Listing is identical to the paper copy of the substitute Sequence Listing. Support for all of the sequences listed in the Sequence Listing is found in the present application as originally filed. No new matter is added.

Applicants submit that the present application is ready for examination on the merits. Early notice of such is requested.

Respectfully submitted,
